

## Let's Design Care that Starts with Values

Now that you've thought about end of life care, create solutions to make Advance Care Planning more accessible and meaningful.

**November 17 | 6-7:30 p.m.**

**Mount Auburn Presbyterian Church**

103 William Howard Taft Rd, Unit 1, Cincinnati

In this fun workshop, your values are most important. You'll learn design thinking and will work with researchers to creatively explore what Advance Care Planning should be. Refreshments will be provided.
